

## Arts

The term started with a trip to see a theatrical performance of *Private Peaceful* at Bury St Edmunds. Several of the students had read the novel previously and it is true to say that this powerful story really engaged them. More performing arts events are planned for next half-term, including a trip to see David Walliams' *Awful Aunty*.

## Publix Examinations

We were delighted to find out in August that all students who sat formal GCSE and Functional Skills exams in the summer PASSED! This included three students achieving Level 2 qualifications in ICT and one gaining a good grade in his Maths GCSE. In addition, 6 students passed Level 1 examinations in British Values and Citizenship.

## Exciting Expedition

As this Newsletter is being sent out, a group of students are embarking on the expedition element of the D of E. Having successfully completed a trial expedition locally, they have set off to Norfolk and are spending two days walking and camping in the forest, carrying their own equipment and cooking for themselves in the evening. This will clearly be a major achievement for all those who successfully impress the external moderator, who will be observing them throughout. Fingers crossed!

## SEN Annual Report

We are required to publish an annual report that details all aspects of our provision for students with Special or Additional Needs. I have attached a copy of this year's report. For new parents and social workers, it may prove to be informative, while for those that we have worked alongside for longer, it may be a reminder of all the facilities and procedures we use here to help the young men in our care. The new assessment routines and strategies are all mentioned, so it is worth a read.

## Big SCIENCE Day Out

After half-term, all students will have the opportunity to go on a trip to the London Science Museum. We have booked virtual reality activities as well as 4-D cinematic experiences. It should be amazing. Our web site gives more information about the various up-coming events.

## Your Signature Please

If we do not have your actual signature on file for GDPR, Photo and Trips permissions, you will find the documents enclosed in your envelopes, along with a stamped addressed envelope. Please sign and return them as soon as possible.

## Dates for you Diary

Oct 22nd to 26th	<b>HALF TERM</b>
Nov 13th	<b>Big Day Out: London Science Museum</b>
