Policy in the event of a Young Person Going Missing

Introduction

The welfare of all of our students at Broadlands Hall School is our paramount responsibility. Every adult who works at the School has been trained to appreciate that he or she has a key responsibility for helping to keep all of the students safe at all times. Our staffing ratios are generous and are deliberately designed to ensure that every child is supervised the whole time that he is in our care.

Information for Carers and Parents

Because of the nature of the young people attending Broadlands Hall School, it is of paramount importance that they are closely monitored at all times. All new staff receive a thorough induction into the importance of effective supervision of our young people.

Actions to be followed by Staff if a Child goes missing from School

Our procedures are designed to ensure that a missing child is found and returned to effective supervision as soon as possible. If a child was found to be missing, we would carry out the following actions:

- Ask all of the adults and students calmly if they can tell us when they last remember seeing the child
- Occupy all of the other students in the School.
- At the same time, arrange for one or more adults to search everywhere within the School and the Care Home, both inside and out, carefully checking all spaces, cupboards, washrooms garden area where a child might hide
- Check the doors and gates for signs of entry/exit

If the child is still missing, the following steps would be taken:

- Inform The Head teacher, DSL and The Proprietor.
- The DSL would notify the Police
- The DSL would inform the local Students' Safeguarding Board.

- Ofsted would be informed by the Home Care Manager
- The Insurers would be informed
- If (once found) the child is injured, a report would be made under RIDDOR to the HSE

A full record of all activities taken up to the stage at which the child was found would be made for the incident report. If appropriate, procedures would be adjusted.

Actions to be followed by Staff once the Young Person is found

- Talk to, take care of and, if necessary, comfort the young person

- The Head teacher will speak to the Manager of the Home to discuss events and give an account of the incident
- The Head teacher will promise a full investigation (if appropriate involving Social Services/ Local Students Safeguarding Board)
- Media queries should be referred to The Principal
