

## Swimming Medals

The very first Broadlands Hall swimming team took part in an inter-schools swimming gala this term and came third.

Competitions included 25 metre speed races, treasure hunts to the bottom of the pool and float assisted competitions. The boys were all so encouraging of each other that it was little wonder that they performed so well.

## And More Medals: Bowling

Another first for the school was competing in the Suffolk Games Bowling competition.

Out of thirteen teams from schools all over the county, the school won Bronze medals. Several students achieved strike after strike so

this is quite clearly another sport we will put some time into perfecting.

## Exam Success

We now enter the qualification season in earnest and for some of our young men this is a very important time.

We are already witnessing early signs of success and special congratulations goes to George who has passed his Functional Skills in Maths and English, first time, already!

## Curiosity and Bouncers?

The Arts were well served this term with two fantastic trips to the theatre. Firstly, older students went to see 'Bouncers' at the Theatre Royal in Bury St Edmunds. This is a highly hilarious play featuring multi-rolling. Students also went into the West End to see the highly acclaimed 'The Curious Incident of the Dog in the Night'. The play was challenging, informative and the production is very creative and inspiring. All the boys reported really enjoying this very special event and we know they will have gained much from the experience.

## Where has the car-park gone?

Over Christmas, the car-park disappeared ... and a very large building arrived. The new building is destined to provide a science lab, catering teaching space, a new dining hall, meeting rooms, music and art studio plus some additional teaching space. As with all things 'building' it will take some time to fully commission but when complete will be an amazing addition to our already lovely school. Do look out for invitations to the grand opening - sometime in 2019.

## Dance, Dance Dance ...

**and sing, present, recite, play and enjoy!**

As ever, March saw our annual concert. So many students contributed to the varied and dynamic programme of performance.

We were joined by our very dear friends from Hundon who performed a beautiful rendition of 'When a Nightingale sang in Berkley Square. The raffle raised £104.00 for the 'Make a Wish Foundation'. The show concluded with a video performance including EVERYONE from the school. If you would like a copy do please ask and we will send you a memory stick. It captures the essence of the school, the energy created by the inclusive environment and fun packed learning days plus, most importantly, the fantastic relationships that exist between everyone here, staff and students.

**DATES FOR YOUR 2019 DIARY**

Summer term begins for students	25 <sup>th</sup> April
May half-term	27 <sup>th</sup> May –31 <sup>st</sup> May
<b>Awards and Sports Day</b>	<b>20<sup>th</sup> June</b>
Last day of term	18 <sup>th</sup> July

**Please come to Awards Day if you can!**
