Dear Parents, Carers & Professionals,

It has been a very busy and successful first term! From Pyjama Day for Children in Need, Cinema reward trips and History trips to celebrating the World Cup, our Christmas Lunch, party and our monthly Parents Coffee Morning (few photos below but more on the website). The young people have continued to show resilience, courage and positivity. Well done!

The school has been working in 3 sections since last half term and this has been very successful. We will continue to work in these groups, as the school grows it will be easy for young people to join a section and have regular staff they know and can work with on a daily basis. We will have an update on the new building in January and everyone is very excited by it! We have some new LSAs joining us in January and they will be available to introduce themselves at the next coffee morning.

Vix Meadows (School Secretary) and Chloe Boyce (EYFS and ASDAN Coordinator) are moving on. I am sure you would join me in saying thank you to them both for their hard work and dedication given to the school over the years. We did have an assembly where we said goodbye to them both. We wish them both all the best! We have Lena More who will be our new School Secretary/Admin from January. Lena is an experienced Office Manager and is very excited to be joining the Broadlands family. Some of you will be familiar with Lena's mother, our School Cook, Margaret.

It is exciting times at Broadlands Hall School, new staff joining, students and even parents/carers. We hold a monthly coffee morning to allow parents/carers to meet all the staff and see the school in operation.

I would like to thank all the staff for their dedication, commitment, resilience and support to the young people and towards the school in general.

May I take this opportunity to say Merry Christmas to all who are celebrating, and a Happy New Year! Look forward to seeing all the young people back on Tuesday 3rd January 2023.

Kind regards,

Humayun Ahmed
